

Yong jie Ya chao

Introduction to YOUNG STG

In Every Beam's Dance,
We Pursue Aesthetic Perfection.

With Every Curtain's Rise and Fall,
An Ode to Creativity Unfolds.

Using Light as Our Brush, We Paint the Stage of Dreams.

The Visual Interpreter of Your Brand's Soul.

The World of Yongjie AV

Yongjie Yachao (Hong Kong) Global Culture Limited is a professional AV equipment service provider specializing in audio, video and lighting equipment supply and technical support for conferences, exhibitions, performances and other events. We are dedicated to crafting immersive audio-visual experiences for large-scale exhibitions and conventions, turning your unique creative concepts into reality.

Upholding the philosophy of professionalism and integrity, we wholeheartedly deliver tailored audio-visual solution planning for conferences, exhibitions and stage shows, alongside precise all-round one-stop services covering full-range professional video, audio and lighting equipment rental and comprehensive technical support.

Yongjie Vision

Yongjie Yachao (Hong Kong) Global Culture Limited, a world-class total event solutions provider, is launching its global strategic footprint backed by over a decade of industry expertise and a spirit of innovation. At the core of our philosophy lies the integration of "Technology + Art," enabling us to deliver end-to-end services—from stage engineering and construction to intelligent lighting system integration and immersive AV solutions.

Strategic Focus on Three Core Hubs:

Europe: Through our R&D center in Germany, the heart of European culture, we export high-end, customized performance solutions.

Asia: We have a deeply established presence in key entertainment markets (China, Japan, South Korea, Thailand), perfecting a standardized service system for touring productions.

Southeast Asia: In partnership with Jakarta, Indonesia, we are tapping into this emerging market, providing end-to-end execution support for large-scale galas and celebrations.

To date, Yongjie has built a service network spanning 18+ major cities across Europe and Asia, having successfully delivered over 200 international projects. We are committed to empowering global cultural spectacles with the power of "Created in China" ingenuity.

Yongjie Vision

From our foundation in 18+ cities across Europe and Asia, we are expanding our map to encompass the globe.

Global Footprint

Core European Markets

Covering Germany (Berlin/Munich), UK (London), France (Paris), Italy (Milan), and more.
